VIET NAM MEDICAL ASSISTANCE PROGRAM (VNMAP)

About VNMAP

VNMAP is an official 501©3 non-profit organization that focuses on serving the Vietnamese community by providing health care assistance in both Viet Nam and in the United States. VNMAP consists of a network of medical professionals and students who are interested in community service, international medicine and leadership. It has successfully organized three medical missions to Viet Nam and hosted various health and education programs locally.

VNMAP's Values and Beliefs

- Address the health care disparity providing health education and medical assistance.
- Value the importance of health education in disease prevention
- Promote a learning environment for a diverse group of participants
- Encourage open communication and exchange of information, experience and cultural values.

VNMAP Mission Statement

VNMAP's mission is to address the health care disparity of the poor in Viet Nam while promoting health awareness through collaborative efforts and education. Our mission consists of providing medical assistance, health education, and health survey assessment. VNMAP is dedicated to educate health professionals, medical students, volunteers, and members about the health status of different regions in Viet Nam.
